

Bald and grey to hair growth and darkening - even the eyebrows!

2019 / 2020 / 2023
She had fast growing cells in 2019, by 2023 she is now experiencing full regeneration.

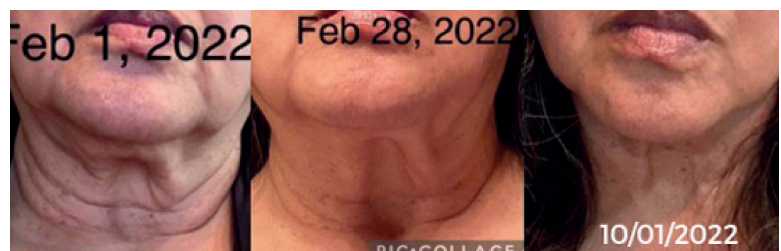

Burning, painful skin goes clear and calm!

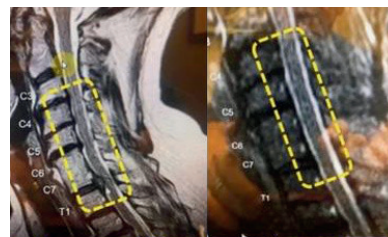

Little boy's finger cut off, sewn back on too late and finger died. Two months of X39 and the finger grew back.

Sagging and wrinkled décolleté goes to smooth and supple.

Turkey neck be gone!

Blocked to flowing nerves.

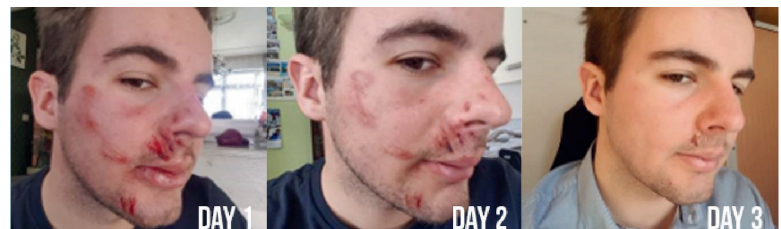

Curved to straight & aligned.

Experience with X39®

One year later, her skin looks that of a woman in her 20s.

Job interview saved! In 3 days, gashes on face repaired.
